Abstract Notification dated 25th May 1938.

The attention of the public is invited to the detailed Sale Notification of the sale of Tupra leaves for the years 1938-41 of Chitaldrug District, published on pages 942-943 of the *Mysore Gazette*, Part VI, dated 9th June 1938.

A. V. KESAVIENGAR,
District Forest Officer.

ENGINEERING DEPARTMENT

BUILDINGS DIVISION, BANGALORE.

Abstract Notification dated 4th June 1938.

The attention of the public is hereby invited to the detailed notifications calling for tenders for the construction of first floor for Superintendent's quarters at New Mental Hospital, Bangalore, published in pages 943-944, Part VI of the *Mysore Gazette*, dated 9th June 1938.

The last date for the receipt of tenders is 25th June 1938.

B. R. GARUDACHAR,
Executive Engineer.

KOLAR DIVISION.

Notification dated 10th June 1938.

1. Sealed tenders will be received at the office of the Executive Engineer, Kolar Division, up to 2 P.M. of 25th June 1938, for running a Coffee Club in the premises of District Office Building, Kolar, for a period of one year from 1st July 1938.

2. Tenders should be addressed to the Executive Engineer and given in sealed cover, superscribing as "Tender for running a Coffee Club in the premises of District Office Building, Kolar."

3. Each tender must be accompanied with an earnest money of Rs. 20 which in the case of successful tenderer will be retained as security for the fulfilment of contract and in the case of rejected tenders, will be returned on submission of the receipt originally granted.

4. The monthly rate of rent offered in the tender must be written both in words and figures.

5. The acceptance of tender rests with the Executive Engineer who does not bind himself to accept the highest or any tender or to assign any reason whatever for the rejection of any.

6. The monthly rate of rent offered should be paid in advance, before the 5th of every month.

R. TIPPAIYA,
Executive Engineer.

OFFICE OF THE ASSISTANT ENGINEER, HEADQUARTER RANGE, MYSORE.

Notification dated 7th June 1938.

1. Sealed tenders will be received at the Office of the Assistant Engineer, Headquarter Range, Mysore, up to 3 P.M. on 25th June 1938, for converting the Reserve Police Lines at Mysore into Zenana Normal and other schools.

2. Tenders in the prescribed form obtainable from the Office of the Assistant Engineer, Headquarter Range, Mysore, on payment of rupee one, for each form, should be addressed to the Assistant Engineer, Headquarter Range, and should be superscribed as "Tender for converting the Reserve Police Lines at Mysore into Zenana Normal and other schools. The name of the tenderer should also be superscribed on the sealed cover.

3. Each tender must be accompanied by a deposit of Rs. 280 in cash only as earnest money. The earnest money of the successful tenderer will be retained as security deposit for due fulfilment of the contract. (Cash amount will not carry any interest.) In case of the acceptance of the tender, an addition of the five per cent of the estimated amount as security deposit should be paid at the time of executing the agreement in Public Works Department form.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 25th June 1938 at 3 P.M. The final acceptance of the tender will rest with the Assistant Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reasons whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Assistant Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute the agreement in the departmental schedule contract form, for the due fulfilment of the contract.

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force, will entail forfeiture of the earnest money.

7. Copies of contract documents, estimates and drawings may be seen at any time at the Office of the Assistant Engineer, Headquarter Range, Mysore, on all working days, between 11 A.M. and 5 P.M.

8. Specific rate should be given for each item in the schedule and the rates should be in rupees, annas and in multiples of three pies and expressed in words and figures.

9. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates tendered should include all such lumpsum items.

10. No alterations which are made by the tenderers in the contract documents in the nomenclature of the sanctioned sub-heads will be recognised and if corrections are made, the tenders will be liable to rejection.

11. There should be no corrections or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

12. No reference should be made to the Public Works Department current schedule of rates.

13. On the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power of attorney authorising him to do so.

14. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates to be proposed by the Assistant Engineer, Headquarter Range, Mysore, and approved by the Superintending Engineer shall be final and legally binding on the tenderer.

15. The quantities as estimated are only approximate and are liable to alterations, omissions, deductions or additions, at the discretion of the Assistant Engineer or his representative. The tendered rates will hold good for any quantity whether higher or lower than those estimated for.

16. The work should be completed as per departmental specifications for different items and handed over to the Public Works Department by the end of September 1938, failing which, the Assistant Engineer may, at his discretion, levy a penalty *up to* Rs. 50 per day, which will be recovered from the contractor's outstandings for the period exceeded by him till the work is completed and handed over.

17. In all matters of dispute of any kind, not specifically provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief Engineer shall be final and legally binding.

18. The earnest money of rejected tenders will be returned on surrender of the receipts originally granted, along with an application to the Assistant Engineer, Headquarter Range, Mysore.

19. No claims for damages for delays caused by officers of the department in the execution of the work will be considered, whatever may be the reason for such delays. Contractors should bear this in mind when tendering for work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools, and plant and machinery, that will be supplied by the Assistant Engineer in the interest of the work, shall be accepted by the tenderer at the rates fixed by the Assistant Engineer, and the tenderer will pay the hire, etc., on machinery at the prescribed per cent per annum of the booked value of the tools and plant supplied from the date of taking over of tools and plant from the Stores to the date of return to the Stores. The dates considered being the dates of acknowledgments of the vouchers in each transaction.

22. The contractors should arrange for the payment of Royalty and Tolls.

Note.—(*A*) The contractors should at his own cost—

(1) Provide rods, stakes, ropes and labours required in setting out the works.
(2) Provide all necessary scaffolding, centering labour and appliance for hoisting.
(3) Provide mortar mill and shed to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water-shoots, coverings to masonry, tile pieces to steps, sieves, parahas or measures, shoring and other requisite protection during the progress of the work.
(6) Supply all water required for work and workmen and shall provide latrines, drainages, etc.
(7) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(8) Provide arrangements for pumping and bailing from excavations and foundations, wherever and whenever necessary with his own pumping apparatus, including necessary leading drains, slump pits, etc.

(9) Wash floors at completion and leave the whole of the work and premises in a clean and orderly condition, etc.

(10) Afford facilities to any other parties employed upon the work, so that their work may proceed during the progress of the contract and give such persons the use of ordinary scaffolding and ladders.

Note.—(*B*) It is the business of the contractor to make his own arrangements for the quarries and supplies of materials.

23. The rates for wood-work for all works quoted should be based on the rates of the departmental supply as noted below. Only Mysore teak selected from the Mysore Government Depots must be used.

24. Work to the extent of Rs. 2,500 will have to be carried out each month.

Prevailing Government rates at Mysore Forest Depot for Mysore teak is as follows :—

	Rs.	a.	p.	
(1) Selected 1st class logs	2	8	0	per c.ft.
